Guainia language

Baniwa of Guainía is an <u>Arawakan language</u> of <u>Brazil</u> and <u>Venezuela</u>, presumably named after the <u>Guainia River</u>. There are maybe 10 speakers in Brazil and about 200 in Venezuela. It is one of several languages which goes by the generic name <u>Baniwa</u>. A dialect, *Warekena do rio Xié*, is not to be confused with the <u>Warekena language</u>. *Glottolog* apparently confuses it with <u>Baniwa</u> of Maroa.
